ACTIVITY SHEET #4

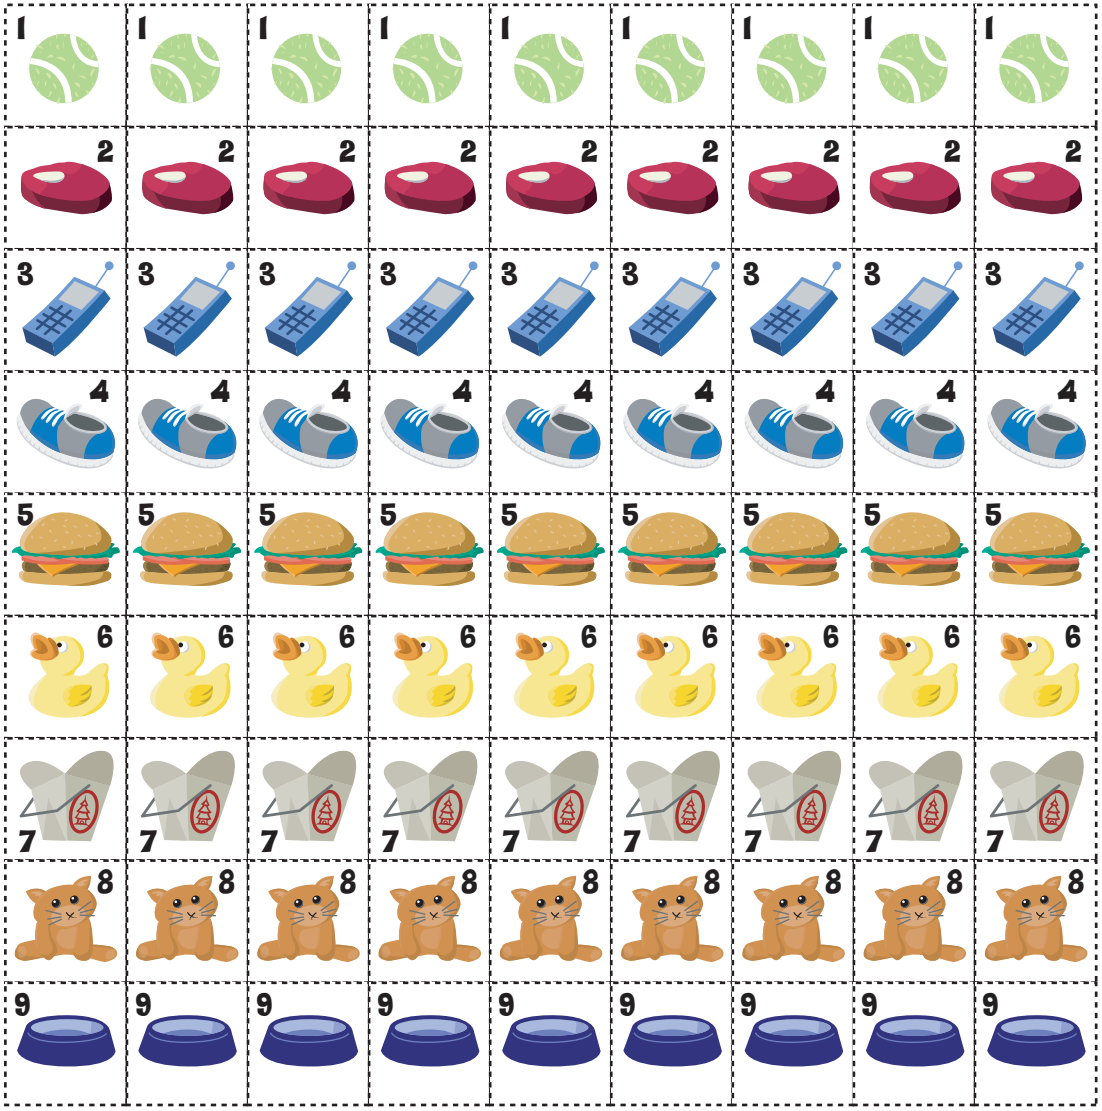
THE PIECES : Cut these out carefully. Ask a grown-up if this is too fiddly or if you're not meant to use scissors. Don't use your teeth – nobody wants to see that.



THE RULES

Try to fill in the missing spaces with one of the 9 game pieces.

This puzzle is made up of 9 mini grids. There are 9 horizontal rows (side to side) and 9 vertical (up and down) columns.

Each row, column and mini grid must be filled with one only of the 9 game pieces. Here's the tricky part: each picture should only end up ONCE within each row, column OR mini grid.
